

VILLAGE VOICE

SATs

The children in Year 6 have worked incredibly hard this year to prepare for their SATs next week. Attendance every day next week is more important than ever. I know you will all join me in wishing them the very best of luck as they revise this weekend. Year 6 please find time to relax and play too.

I would like to take this opportunity to say a huge thank you to the staff at Village and for all of the support from family members who have helped these fantastic children make so much progress at their time at our school.

Packed Lunches

As part of the curriculum, we promote healthy lifestyles. Please ensure packed lunches are filled with positive choices, including fruit and vegetables, and do NOT contain chocolate bars and sweets.

Year 2 Baking

At Village we pride ourselves on our engaging curriculum. Real life experiences bring learning to life and make school memorable and enjoyable. Cooking, in particular, is something the children enjoy. Every Monday children prepare food for 'Star Books' Reading Cafe. In addition, they cook during the week; this learning is often linked to other subjects. Most recently, Year 2 have been baking chocolate cakes this week which was linked to their instructional writing. 'We made chocolate cake, the bottom was ginger and the top had melted chocolate on. We enjoyed eating it, even Miss Noble had a slice.' Brandon

Book Fair

Please come along and support school in raising money for new books for our library. There is a fantastic 3 for 2 offer! Please show your support and join us after school from 3:30 until 4pm. It's open from Friday 5.5.17 until 10.5.17.

Sponsored Judo Event

Village are participating in the project: 'Inspiring Children of Today to be Champions of Tomorrow', working with Olympic medallist Louise Renicks. The children will be bringing home sponsor forms today. Please support school in helping your child with this form and remind children not to ask strangers or knock on doors for sponsorship.

Y3/4 Football Competition

On Wednesday 3rd May a group of Y3 and Y4 boys took part in a football competition at Northfield School, Billingham.

Well done to the children as they came fifth out of 25 teams competing.

'It was really interesting meeting the other teams and spending time playing football for a few hours' Cole Y3

'We had fun getting to play other teams, we hope to inspire adults to play football with children so we can get better' Robin Y3

Good luck to the girls Y3/4 team who will be playing on Monday 8th May!
