Year 1

The children learnt all about the different animals. We then created habitats for the animals using woodland material.

Taylor "I made a nest for an owl high up in the trees because that is where owls rest".

Year 6

"I really enjoyed learning to hoola hoop properly. The instructor taught me to do new tricks with a large hoola hoop. I was surprised that you had to rock forwards and backwards to make it go round. It was very tiring!" Kayleigh

"Health and Fitness week was brilliant because we got to be active and improve our fitness. I play football outside of school so I know how important it is to be healthy" Isabella

Year 3

'I thought that the Health and Fitness Week was fun because I really enjoyed Hoopstarz. I also loved making stickmen. It was a wonderful week.' Emily

Year 5

Robbie "I enjoyed the French lesson with the dance warm up. I learnt lots of new vocabulary but in a fun way."

Elisha "I loved the tennis the best during health and fitness week. I liked using a racket and working in a pair to throw and catch the ball."

Year 4

Year 4 visited Preston Park on Monday to take part in the Stockton Fun Run. All children really enjoyed themselves and ran 1 mile in their free t-shirts.

'I thought it was really fun because I came first out of all of our girls!' Harmony
