Easter Egg Raffle

Thank you for your support in buying raffle tickets and donating eggs to raise funds to enrich our curriculum. A huge thank you to our PTA who work so hard to support this fundraising.

Easter Hat Competition

The hats sent into school were fantastic; each entry really showcased the family support we have in school. Thank you for working with your child to produce such colourful designs. It was a very tricky decision to choose the winners! Every entry received a chocolate egg in recognition of this work. The three top winners are:

- 1st prize – George Wilson Y3
- 2nd prize – Steven (Nursery) and Jessica (Y1) Huskinson
- 3rd prize – Lily-May Parker Y4

Year 6 Inspire

Our 'Inspire' sessions are growing from strength to strength. It is so wonderful to see so many parents/carers join us in school to work alongside their children on creative projects; this makes learning memorable and so much more enjoyable for the children. Thank you for your continuing support.

Year 6 enjoyed making vehicles with recycled materials, which has been their topic this term.

"It was great to work as a team with adults and make a car!" Sam.

"It was nice to work with my grandma on a DT project" Hannah

Money Minds Workshops

Over the past two weeks, The Yorkshire Building Society has visited school to conduct 'Money Minds: Savers of the Future' workshops from Year 1 to Year 6. The children have enjoyed learning how to work with money, problem solve and learn about how to be economic. We intend to continue this work each year, so the children progress with these life skills through their time in school. The Building Society staff all commented on how intelligent and well-behaved Village children are; we are incredibly proud!

"We learned how to keep money safe." Lee Y2

"We found out where to keep money of different values." Lincoln Y2

"I found out that fifty £20 equals £1000." Sam Y2

"We got to design a party and that included making posters and calculating the price of it" Honey Y4

Year 4 Inspire

Year 4 were making Anglo-Saxon Homes.

"My Dad came to our session. I was excited to make my house with him." Lily-May

Dates:

Friday 7th April - School closes for Easter holidays.

Monday 24th April - School re-opens for Summer term.

Monday 1st May - School closed for bank holiday.

Heritage Poetry Workshop

On Wednesday 12 boys from KS2, accompanied by Miss Mitchinson and Mr Mansell, travelled to see the Stockton Flyer on Stockton High Street. The monument to Stockton's railway heritage always attracts a crowd to its daily show, at 1pm, and Wednesday was no exception, as around 50 people gathered in the sunshine to watch the display.

The boys were mesmerised by the sights and sounds and inspired to create poetry based upon their experiences, these poems will be displayed within school and will hopefully inspire others to write.

"It was a good opportunity to see it in person. The noise made me nervous but I enjoyed it!" Alfie

"It inspired me to write poems. The sounds made me nervous but it was fun!" Corey
