Attendance Goal 96% or above

Writing Pillars

The writing pillars in the hall have been updated to include children's work from across school. We love writing at Village and work hard to write a range of fiction and non-fiction. Well done to the children who had work selected for our golden display.

Year 5

This week Year 5 have taken full advantage of the lovely weather and have been enjoying our new outdoor classroom! First, we went outside to explore our mural about the solar system. We learnt a way to remember the names of the planets in order. We also used the outdoor area for our guided reading sessions. We loved sitting in the shade whilst reading a book.
