Dear Parents/Carers,

A few weeks ago, we sent out a feedback form asking how parents would prefer parental consultations to look like. Some parents voted for face to face appointments; other parents wanted a phone call and some wanted a zoom-type meeting. Thank you for your votes and for filling in the form.

Over the next few weeks before half term, starting this week, staff will be in touch to arrange an appointment time if you asked for face to face meetings. Or, if you preferred the telephone calls, staff will be in touch to discuss the progress of the children and any books or work can be viewed on Seesaw. Teachers calls may appear as private numbers or withheld numbers because of the telephone system that we use.

You don't have to do anything further because we are trying to work around you. For those wanting a zoom call, again teachers will be in touch to arrange this and can work flexibly around you. If you have any questions please feel free to ask.

Best regards,
