

Art Monitoring 2021

Autumn Term

Year 1

Pupil Voice

What we are learning:

We used wax crayons to rub leaves and pencil crayons to draw leaves.

We learn new skills

We learnt about warm colours. I used brown and orange. We looked carefully at our leaves to see the shape and all the details.

Progress in art

When we are stuck we put our hand up. We can look at the picture on the board to help us.

Our thoughts about Art

Evie: I liked using the tutorial to learn to draw leaves.

Carter: I like art. I want to get better at colouring.

Jaxon: It's good.

Book Look

Strengths:

- The children's attention to detail
- Cross curricular links

Next steps:

- Use Picasso as a starting point for the art topic of drawing.
- To learn the names of secondary colours
