

Art Monitoring 2021

Autumn Term

Year 3

Pupil Voice

What we are learning:

This term we are learning about Bridget Riley. She's a very famous artist. She done the bridge I think...The Transporter.

We learn new skills

We have learnt how to draw using a ruler. First we did our line pictures and then we did our bridge. We all used felt pens.

Progress in art

First we have a go on scarp paper then we do it in our books when we are ready for it. We keep practising so that we are confident with what we are doing. If we don't know what to do we listen to our helpful teacher and use the skills that she has showed us.

Our thoughts about Art

Alice: I love doing art.
Imogen: I'm confident at art because I practice at home.
Jacob: Good...I like it.

Our Next Steps

We'd like to have a look at different drawings by Bridget Riley and choose as a class which one we should do. We could do a vote to make it fair.

Book Look

Strengths:

- Enthusiasm for the subject
- Applying the style of Bridget Riley to your topic on the Transporter Bridge.

Next steps:

- Using water colour pencils in the style of Bridget Riley.
- Use sketch books to practise skills building up to a final piece. Show the progress of the bridge in books instead of scrap paper.
