

Mrs Nixon - PE and Geography Leader

I am passionate about making learning fun and meaningful for all ages and abilities. Working throughout the school (from Year 1 – Year 6), allows me to build strong relationships with the children and gives me a thorough understanding of the progression with an insight of the starting and end points of our school curriculum. Through my Geography and PE role, I aim to inspire, challenge and motivate children so that they can thrive and express themselves confidently through hands-on experiences that allow them to explore whilst developing their knowledge and skills through active learning. This allows our children to dream of the world outside and to discover and view the world as a bigger picture, ensuring
