

Miss Begley, Art Leader

Art is a subject I am passionate about. I love harnessing children's creativity and watching them develop as artists and creators. Art is a wonderful part of our timetable which allows the children to express themselves creatively. I love that many of our children see it as 'a break from learning'. When, in reality, the children are learning so much more than they will ever know!

Monitoring the progression of skills and knowledge across the school gives me an insight into the magic we all work as part of the Village team. Seeing each part of our Art curriculum fit together as a well thought out jigsaw puzzle gives me great pleasure. Our children come so far during their learning journey at The Village!
