

# Mrs E Avison

## English and EY

I am a Parent Governor and Vice Chair at Village Primary School. I have two Children who attend the school (although one for not much longer) and have seen my children grow, develop and learn every single day at school. I am passionate about supporting the school and all of the children and staff here at Village.

I work in Human Resources and have done for 15 years; I bring my skills and experience in this field to the Governing Body.

In my spare time I love to spend time with my family and friends.
