Message to Parents:

Please could all parents look inside their children's bookbags for a picture recognising the Queen's Platinum Jubilee. Your child's picture can be made into a commemorative tea towel or mug. Some of the proceeds also go towards school funds.

Reception

This week Reception have been finding out all about London and The Queen. We read some books about London. We used the internet to find London and to look at some sights we might see there. The children tried really hard to draw their own pictures of the Queen.

Year 6

Year 6 loved their time with Mini Medics. This was the first steps into First Aid training for Primary Children. We know how important it is to have experience of basic First Aid.

Also, we were fortunate enough to have a Zoom Workshop with Simon James Green. This was a writing comedy workshop, and the children are now fully fledged comedy writers.

Nursery

Nursery have enjoyed talking about why they love their Mummies after sharing the story 'My Mum'. Then prep for Mother's Day is well under way this morning.

Year 3

On Tuesday, Year 3 had a visit from their family members. They came into school to help us create a story plan of an adapted fairy tale. It was great to allow parent's back into school to see what we've been working on. Thank you so much to everyone who came, the children really enjoyed it!

Year 5 - Test Week

Year 5 have worked incredibly hard this week and should be very proud of their scores!

'I thought some of the questions were easy but some were rock hard.' Keaton

'Before we did the test I wasn't that confident but I am now.' Summer

'I thought it was going to be harder than it was but I read the questions carefully and it was ok!' Oliver

'I feel quite happy about it because I scored higher than I thought I would.' Skye

'I scored better than I thought I would have!' Isabelle

'Test week is good because it is a chance to show off what you know!' Ava
