## **Year 3 Segedunum Roman Fort**

On Tuesday, Year 3 visited Segedunum Roman Fort. It was a great opportunity for children to get hands on with Roman artefacts and learn lots about Roman soldiers. We couldn't believe how many jobs the soldiers had!

## **TEMPEST PHOTOGRAPHY**

The school photographer, Tempest will be coming to school on

Thursday 10th March. You will

have received a form via text message for you to give permission for your child's photograph to be taken. As in previous years you also have the opportunity to request an appointment (on the same text form) to allow you to bring in younger siblings to have a family photograph taken. Appointments will also be needed for children who do not attend school on Thursdays.

## Reception

On Tuesday, Reception enjoyed learning a pancake rhyme, practising balancing in a pancake race and of course making and eating pancakes.

## Bouncebackability

Latest pupils to graduate from the Bouncebackability programme!

This is a 5-week course lead by our Parent Support Advisor, Mr Dixon. It is currently being rolled out to all

pupils in Year 3 and Year 5, and gets them talking about resilience, understanding their emotions, stress, and change.

## Nursery

Nursery loved learning how to make pancakes today. They helped Miss Trotter weigh out the ingredients and watched Mrs Poulton flip them. The best bit was eating them!

## Year 5

Year 5 had a wonderful visit to Thornaby Academy!

As part of our DT topic, we made bread! Children followed the recipe and developed the skills of mixing and kneading the dough. They were then able to get creative when designing their rolls!

The second part of the visit was learning about the importance of Community Cohesion. The children discussed the definitions of the British Values and the importance of each one. They looked at examples of British Hero's individual missions and linked these to British Values.

Staff commented on how knowledgeable the children were on yeast and British Values and also how well-behaved they were.

'It was very fun because we got to make our own bread. Sometimes I can still smell the yeast on my hands.'  
Lynden

'All the British heroes were inspiring.'  
Layla

'Making the bread was fun but I needed help with the kneading.'  
Darcy

'We learnt about Marcus Rashford and how he showed resilience on his mission to stop child hunger.'
