For Your Diary - Holidays and PD Days

11th - 22nd April 2022

Easter Holidays

30th May - 3rd June 2022

Half term

20th July 2022

Staff Training Day

21st July 2022

Staff Training Day

Star of the Week

Noah - Nursery

Autumn - Reception

Violet - Year 1

Luca - Year 2

Joseph - Year 3

Mason - Year 4

Amy - Year 5

Jessie - Year 6

REMINDER

Children break up for Easter holidays on Friday 8th April. School returns on Monday 25th April.

Year 3

Last week, Year 3 visited the library. It was great to see children enthused by books and reading. Ivan, the librarian, always entertains the children with his dramatic readings of stories. We all can't wait to visit again next term!

Department
for Education

Stockton-on-Tees
BOROUGH COUNCIL

The Holiday Activities Fund (HAF)

This programme is delivered in partnership with the council and the Department for Education.

It offers free activities over the Easter holidays for children between 5—16 years who are in receipt of benefits-related free school meals.

VILLAGE VOICE

Year 2

This week, Year 2 have enjoyed using software to create an EBook.

'I like using the laptops because they are fun.' Harriet

Reception

This week, Reception have been exploring 'change'. We have thought about a range of things that change from us (how we have changed from being a baby) to how the weather and seasons change. We enjoyed exploring how a chocolate button changes when we hold it in our hands! Sticky and tasty change!

Nursery

E and C spent an extended period of time using water colours to create an ocean. The girls asked if they could add some creatures to their paintings. They were so proud of their creations.

VILLAGE VOICE

The Polar Regions

Year 5 have made an excellent start to their new Geography topic and have already found out so many wonderful and interesting facts that we would like to share with you!

'A narwhals tusk (tooth) can grow up to 9ft long!' Mason

'The Arctic wolf has 42 teeth that they use for crushing bones and tearing flesh.' Rayyan

'They have feathers on their feet that feel like fluffy slippers!' Layla

'The Arctic wolf can run up to 36 mph!' Keaton

'The Polar Bear's skin is actually black not white.' Amy

Year 6

We are still loving 'Move and Learn' with Middlesbrough Football in the Community. We are gaining knowledge about Healthy Eating and the Body as well as exercising for an hour.

Big well done to Holly and Evie who have completed 'Reading Plus'. They have worked extremely hard and earned a deserved juice and biscuit from Mr. Birtwhistle.

Year 1

Year 1 enjoyed going on a nature walk this week.

Year 4

This week, Year 4 have started their two-week swimming block at Thornaby Baths. The children are working really hard but also thoroughly enjoying it. As well as swimming, Year 4 had an online workshop learning all about the Amazon rainforest, which links to our topic of 'The Rainforest and South America'.
