PROGRAMMES

CAMPS

TRAINING

Dear parent/guardian,

This May half term, Flying Futures are delivering their Adventure Cooks programme for pupils on free school meals in Thornaby. The programme will provide children with healthy meals and snacks, as well as engaging activities throughout the week.

The dates for this programme are **Sunday 29th, 30th, 31st May, and 1st June**. Each day runs from **10am-2pm**, and will take place at **Thornaby Pavilion, TS17 9EW**. You do not need to attend every day on this programme, you can opt to attend just one day if you wish.

The week will consist of a range of team games, crafts, physical activities, mindfulness, treasure hunts, movies and an end of week party. They will also take part in some food preparation where they create their own fruit salads, as well as some food tasting games.

If you are interested in signing your child up to our programme, please email or text Chloe with your email address, her contact details are chloe.stewart@flyingfutures.org or 07827839739.

Places are limited so will fill up quickly, we look forward to welcoming your child this Easter.

Becky Porter
