

Tuesday 3rd May 2022

Dear Parents / Carers,

We are very proud of the effort being made by our Year 6 pupils as they prepare for their SATs and we would like to thank you for the support that you are giving your child with their home-learning. After the journey the children have been on through these difficult few years, they are a credit to themselves and to you as parents/carers, no matter the outcomes of the SATs.

As you may be aware, SATs week begins on Monday 9th May (timetable included below). To enable the children to come into school and feel relaxed, we will be running a breakfast club each morning from 8.00am.

Breakfast Club will start on Monday 9th May and run until Thursday 12th May. There will be no cost for this to parents. There will be a selection of breakfast treats available. It is completely optional if you wish your child wishes to attend. However, we have found in the past that it does relax the children on what can be a stressful time.

During SATs week, papers will be taken mainly on the morning. However, the timetable could continue into early afternoon for some children. This will be due to staffing availability.

Please ensure your child gets lots of rest and sleep both leading up to and during this week to enable them to do their best - we will do the rest!
