**\*\*\*REMINDER\*\*\***

**Children finish for half term on Friday  
27th May. School re-opens on  
Monday 6th June.**

## **Star of the Week**

**Jacob - Nursery**

**Frankie - Reception**

**Violet - Year 1**

**Bobby - Year 2**

**Ruby - Year 3**

**Mollie - Year 4**

**Joe - Year 5**

**Dillan - Year 6**

The whole school celebrated the Queen's 70 years on the throne on Thursday. School was adorned with colourful Union Jack bunting the children had made throughout the week and the weather thankfully held off to enjoy our tea party celebration outside.

Children enjoyed a sausage bun, chips and a tasty Jubilee themed dessert outside wearing their crowns and waving their flags. The tea party ended with a rendition of God Save the Queen and a singalong to Sweet Caroline.

Thank you so much for your kind donations towards Butterwick Hospice, we raised **£160.00!**

Also a special thank you to Asda who provided us with cups and table wear for our festivities.

## Year 3

'Today was awesome because we got the opportunity to have lots of fun!'

Khloe

'Today was fun because we got to eat lunch outside and not wear our uniform!'

Emily

## Year 4

To celebrate the queen's jubilee, Year 4 celebrated by making flags and crowns. As well as this we used our maths skills to help the queen plan her jubilee celebrations. We had great fun at lunch time eating as a whole school in the playground.

'I really liked when we celebrated the queen's jubilee and sang the national anthem'

Halle

'I've had an amazing day celebrating the queen's jubilee and learned a lot of things about the queen during our morning lessons'

Mollie

## Year 5

Queen Elizabeth and Queen Victoria

Year 5 were able to complete lots of the information using their memory from our Autumn topic The Victorians. We then used the internet to find the remaining information. It was interesting to compare and contrast the two remarkable queens!

'They both reigned for a really long time!'

Elena

'They both lived in Buckingham palace.'

Summer

'Their husbands were both princes because they couldn't be king.'

Mason

'Queen Victoria is the second longest monarch and Queen Elizabeth is now the longest.'

Lynden

'They both took the throne when they were very young.'

Skye

'Queen Victoria had nine children and Queen Elizabeth had four.'

Tristan

'They both ruled 15 countries.'

Ben

## Reception

Reception really enjoyed a visit from their parents on Wednesday. It was an opportunity for our parents to visit our classroom, watch a phonics input and join us for some phonics, reading and writing activities. Parental partnership is so important and it was wonderful to have so many parents join us.

Some of Reception enjoyed a special visit to Riverbank Library. We shared the story of The Queen's Handbag, thought about what might be in her handbag and drew some picture.

"I liked the story the handbag blew away and the Queen chased it to Ireland and the Giants Causeway." Pip

## Year 5 & 6

Well done to our Year 5 and 6 cricketers who displayed all of our Village Values during the tournament held at Maltby Cricket Club this week. The girls team placed 3rd and the boys and mixed team both placed 4th.

## Summer Water Photo Competition

This term we are asking you to take photographs of water - children in the water, next to water, drinking water. It might be a paddling pool, river, stream, sea or fish tank!

Be as creative as you want.

All photographs should be uploaded to your child's Seesaw account, **on the competition activity, by Friday 8th July 2022** (photographs that are not added to the competition activity may not be seen and therefore not entered).

Friends of Village Primary will be judging the competition with the help of our Eco Warriors.
