Day

Staff Training

Children will return to school on Monday 5th September.

Year 6

Year 6 visited Thornaby Village Bowls Club. Fantastic hospitality from the members and thank you to Mr Swales for arranging. The children loved it!

Year 4

Another successful coding afternoon. Year 4 have been exploring variables to make, amongst other activities, a game to help the next year 4 class practice their times tables. Really good Village Values shown including support, developing skills and patience.

Reception

This week Reception had a visit from a snail! Awe and wonder all around as they observed, asked questions and talked about the Giant African Snail.

Year 2

The children used the trundle wheels this week. They had to measure the field using the manipulatives and record their answers and we had a discussion about them when we came back in class.

Art work.

The children had to use natural resources from outside to make their pictures like Andy Goldsworthy. The children worked as a team to find sticks, leaves and stones to make their pictures.

Village Values

RM said, "I enjoyed the chocolate part, It helped me with problem solving".

SW said, "I enjoyed the blindfold challenge, I enjoyed helping my friends"

Cakes

On Monday, the children enjoyed making cakes with Mrs Nixon. They had to follow the instructions and enjoyed the cakes that they made.

Year 5 Class Assembly

It was lovely to welcome so many parents to Year 5's Class Assembly this week. The children worked incredibly hard to learn their lines and projected their voices confidently!

The assembly was a wonderful opportunity to share our learning as we have been incredibly busy this term learning all about The Ancient Greeks!

Nursery

This week in Nursery we have been talking about feelings and how they might look and feel. We have explored lots of different activities to encourage the children to talk about their feelings and how to recognise and deal with them. We have been reading the story 'The Colour Monster' to learn about the way feelings are portrayed.

Give us a
gift of
£1,320
without
spending a
penny!

Did you know you can give us £1,320 in extra funding without spending a penny? Helping us to pay for extra staff, books and equipment.

If you are entitled to certain benefits we could be able to claim extra funding called 'Pupil Premium'.

Please contact the office for more information or if you think you could be eligible.
