Star of the Week

Sol - Nursery

Erin - Reception

Esmée - Year 1

Daniel - Year 2

Emily - Year 3

Amy - Year 4

Mason - Year 5

Izzy - Year 6

Nursery

Nursery have had a wonderful week creating their own models in the creative area. They planned what they wanted to use and learnt new joining skills throughout the week.

For Your Diary - Summer Holidays and PD Days

Children will finish for summer on Tuesday 19th July.

20th July 2022 Staff Training Day

21st July 2022 Staff Training Day

Thursday 1st September Staff Training Day

Friday 2nd September Staff Training Day

Children will return to school on Monday 5th September.

Rounders

This week our after-school rounders team competed against Bader. Both teams worked hard and showed excellent sportsmanship. Well done Team Village on another victory, the staff are looking forward to playing against you all next week.

Boro Sports Day

It was wonderful to invite Boro Foundation into school on Monday to deliver a Mini Sports Day to children in Year 1 - Year 6. They took part in a variety of sports and everyone displayed excellent sportsmanship throughout the day.

Invincible Kids!

On Tuesday, Year 5 took part in a workshop which gave the children opportunities to think about their future. They considered what they would like to be and made a plan to get there!

'It was fun and it helped us think about our future.' Ben

'I liked that we got to express our feelings about our future.' Amy

'I liked that it was an activity and not just someone talking to us.' Keaton

'I liked it because you got to learn about.' India

'It taught me that the results of something can affect everything.' Skye

Give us a gift of £1,320 without spending a penny!

Did you know you can give us £1,320 in extra funding without spending a penny? Helping us to pay for extra staff, books and equipment.

If you are entitled to certain benefits we could be able to claim extra funding called 'Pupil Premium'.

Please contact the office for more information or if you think you could be eligible.

Reception

Following on from our work on snails last week Reception have been asked 'Do all shells have spirals?'. Lots of discussion and we had a vote to see what we thought. We have explored this over the week and created our own spirals using different materials.

Friends of Village

Summer Fair – 6th July 2022

Our Summer fair is in less than a week away and we are looking for support with contributions.

Everyone loves a tombola, but a tombola without prizes isn't great! If you have any soft teddies, toy sets, gift sets, boxes of chocolates, sweets, and alcohol to contribute, that would be brilliant.

We will also be holding a raffle at the fair, if any parents, carers, or local business would like to donate a prize that would be amazing.

As always, we appreciate your support to our school. All funds raised, go back into the school to improve the experience for the children.

If you are able to contribute, please drop off at the school office by Tuesday 5th July 2022.

Summer Water Photo Competition

This term we are asking you to take photographs of water - children in the water, next to water, drinking water. It might be a paddling pool, river, stream, sea or fish tank!

Be as creative as you want.

All photographs should be uploaded to your child's Seesaw account, **on the competition activity, by Friday 8th July 2022** (photographs that are not added to the competition activity may not be seen and therefore not entered).

Friends of Village Primary will be judging the competition with the help of our Eco Warriors.
