Wednesday 20th July 2022

Staff Training Day

Thursday 21st July 2022

Staff Training Day

Thursday 1st September

Staff Training Day

Friday 2nd September

staff Training Day

Children will return to school on Monday 5th September.

Goodbye and Good Luck to Year 6

It was wonderful to be able to invite all of our Year 6 families into school this week for our Year 6 leavers assembly. We have been blessed with an incredible Year 6 cohort and they will be greatly missed but we know they are more than ready to face the challenges and opportunities of Secondary School. Every single Year 6 child has been a joy to teach and they are a credit to their families. We will always be extremely proud of them. Thank you once again for your continued support. Year 6, we are really going to miss you all.— Mrs Nixon

Inflatable Day, the children loved the inflatables. It was fun and ultra-competitive, even the staff got involved. Some Dominos Pizzas for lunch was an extra treat. Well-deserved for all children.

The end of a very successful week with SATS, Leavers Assembly and Inflatable Day. We will miss this Year 6 group. They are a kind, thoughtful and determined group. We hope

that they pursue their dreams and never give up! Thank you for giving us a wonderful year.— Mr Davies

Nursery

Some of our wonderful Nursery graduates! We are so proud of what they have achieved with us during their time in Nursery.

Reception

As part of the end of our work on minibeast the children are planning and preparing for a minibeast picnic. They have made ladybird inspired cakes.

PIC-COLLAGES

Year 5 - DT - Making Greek Sandals

On Monday, Year 5 had a wonderful time at Thornaby Academy. We decided our target audience and looked at the hierarchy of power during the Ancient Greek times. In Science, we tested the durability of leather and wood and then we designed our sandals in Art. For the final session, we learnt how to market our sandals to the Greeks!

'I liked using the Bunsen burner. We got to test how fire affects wood and leather.'

Tristan

'It was hard to stick the designs to the shoes but I persevered. We are going to finish them in September.'

Amy
'I chose to design my shoes for women who wanted to be married.'

Layla

Code Club

This Year 6 girl is our coder of the term winner. She has been a wonderful team player, created some pleasing coding projects and really developed as a coder. Positions will be open for next years code club in September if you think you could be the next terms code club trophy winner.
