Reception

Reception have settled well into full time school. This week the children were shocked to find an Enormous crocodile in the snack basket. Lots of activities followed allowing the children to explore crocodiles and use a variety of skills such as fine motor to give the crocodile teeth.

Nursery

Nursery enjoyed learning about sunflowers this morning when Mrs Ball brought some from her garden at home. We learnt the names of the different parts of the flower and talked about how it looked and felt. Some of us drew the sunflowers.

Year 6

Year 6 really enjoyed their trip to Eden Camp this week. They learned dozens of new and interesting facts to include in their future writing in class. The number huts were

fantastic to travel back in time to experience the conditions in the wars and countries involved. In PE, children have been working hard in gymnastics and practising their balance and movement. Science continues to explore and label the heart. Keep looking at Seesaw for pictures of the children's work.

Year 5 - The Victorians

Year 5 have made a brilliant start to their Autumn topic and have conducted very thorough research about the formidable Queen Victoria. We would like to share some facts with you!

- 'She had 4 boys and 5 girls.' Francesca
- 'She spoke German at three.' Jenson
- 'She mourned Prince Albert for 40 years.' Olivia
- 'She became Queen when she was 18.' Brooke
- 'She rained for 63 years.' Beaux
