There are still 2 PD days to be announced.

Free School Meals - Benefit Related

Could your child be entitled to free school meals?

At the moment the cost of living is rising and making savings where possible can help. Not only will your child receive free meals at school but there are often holiday clubs ran via the council that they can attend. In the past parents with children entitled to benefits related free school meals received vouchers from the government during the pandemic.

If your child is entitled to the Universal free school meals, you can still apply for benefits related free school meals as the school benefits from all pupils that are entitled.

Year 4

Year 4 have had a very busy week this week. We have continued our learning on our topic of Ancient Egypt. The children have made clay sarcophagus and also mummified a tomato. As well as this, the children have started recorders, this will take place every Wednesday.

Reception

Lots of exploring and making patterns in Reception this week. Children enjoyed taking it in turns to make AB, ABC and even AABB repeating patterns.

Year 6

In Year 6, we are still busy learning about the heart, veins and arteries. We are busy identifying different aspects of a healthy diet. We have a balloon experience next week, so if you have any 500ml bottle to bring in that would be great. Newspaper reports have been started and we hope to produce a news bulletin to show you on Seesaw. Thank you for getting back to us with Parent Consultation preferences.

Year 5 trip to Beamish!

Year 5 had an incredibly day at Beamish and got to experience what life was really like for Victorians!

'My favourite part was when we went to the school.' Sophie

'I liked seeing the trams and buses go by.' Logan

'I enjoyed going to the mine because we got to see how they worked.' Ava

'I liked going on the top of the tram.' Lewis

'I like the town because we got to see what it was like inside Victorian houses.' Halle

Nursery

In Nursery, the children have been highly engaged in mark making, we have enjoyed making cards for their family and friends.

We have loved exploring the areas and getting to know each other more and more.

Nursery have been enjoying their phonics session with Miss Christon. Today they are learning to discriminate familiar sounds.
