ScholarPack

Please download the Scholarpack app. You can click the following link to see what it can do.

<https://youtu.be/qTSAs3efUak>

An email was sent to parents with link up codes on Monday.

Reception

Reception have been helping 'The Little Red Hen' this week. None of her friends would help so Reception stepped in to follow instructions and make cakes! They were delicious.

Year 1

This week we are learning to find 'one less' in maths. Today, we went outside to collect leaves to find 'one less'. Then, we used our new Geography orienteering trail to find the answers to 'one less' questions.

VILLAGE VOICE

Year 6

Year 6 have finished newspaper reports and news bulletins, please keep an eye on Seesaw for some examples. We have started Poetry. 'IF' by Rudyard Kipling was used as an example and children created their own superb version. They will be performing and creating a poem linked to Halloween and Bonfire Night early next week.

In Science, children have been looking at heart rate and breathing when performing exercise. They performed several minutes of star jumps and recorded their pulse at different intervals.

Nursery

This week in Nursery:

The children worked on their snipping skills, we cut out the owl baby family with some help and made our own stick puppets.

Some parents came to our Nursery to play with the children, we enjoyed exploring the areas inside Nursery and had lots of fun in the outdoor classroom, we finished with some songs. We all had such a lovely time!

Year 5 - English

This week, we have started to look at how to write a villainous speech! We have listened to and looked at Scar's speech in 'The Lion King' and we have also looked at Yuma's speech in 'The Emperor's New Groove'. We know we need the four Ps to make it a successful villainous speech! Pitch, Power, Pace and Passion

I can't wait to listen to the finished speeches!

THORNABY FAMILY HUB

FREE BASIC LIFESAVING SKILLS FOR CHILDREN AGED 8-11 YEARS

Would your child know how to call for help in a medical emergency, know what to do if someone was choking or unresponsive?

Book them onto one of these Basic Lifesaving Skills Sessions which will give them the skills and confidence to act in an emergency

Where and When

- Stockton Hub, Tel: 01642 528848- Wednesday 12th Oct 4.30-6pm*
- Redhill Hub, Tel: 01642 528914- Thursday 13th Oct 4-5.30pm*
