Half term

3–14 April

Easter Holidays

29 May– 2 June

Half term

Summer holidays begin 21st July.

There are still 2 PD days to be announced.

Reception

This week Reception have been reading 'Whatever Next'. We imagined we had flown to the moon and then we sent home a postcard about what we had seen.

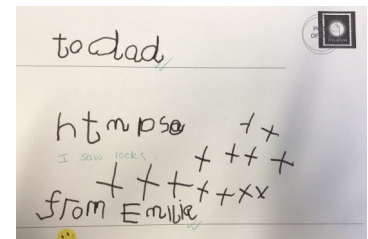

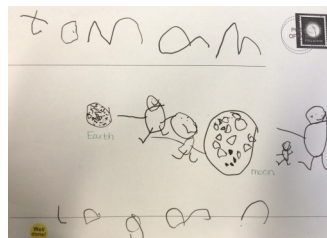

Year 6

Year 6 are nearing the end of their topic, animals, including humans in Science. This week we discussed the difference between drugs and medicines. We used puzzle models of the 3D pieces to recreate the heart as an extra challenge.

We have had a fabulous half-term. The work produced across the curriculum has been a high standard and the children deserve a break. Some of the highlights have been the Graphic Design unit, Newspaper and Diary writing, Orienteering, Eden Camp, topic facts and Geography mapping with countries involved in war and finally, problem solving and reasoning tasks in maths. Overall, the children have settled in well.

Thank you for attending parent consultations and calls.

We are looking for to Autumn 2 and our trip 2nd November to Heugh Battery Museum which is linked to our World War topics.

Nursery

In Nursery we have explored pumpkins. We looked inside and took the contents out to put into our homemade soup. We chopped up some carrots, potatoes and onions to add to our soup. We loved tasting it too!

Nursery

Today in a Nursery, the children have dressed up for our Halloween party.

We have had lots of fun making magic wands and decorating our own biscuits!

Year 5 - Geography and Orienteering with parents!

It was lovely to welcome parents into Year 5 on Thursday afternoon to help us in our Geography lesson! We had planned to work outside using our new orienteering equipment, but the rain forced us inside where we had a wonderful afternoon testing our knowledge of the United Kingdom and we used directional vocabulary to navigate around a treasure island!
