Star of the Week

Mila- Nursery

Billy - Reception

Elliott - Year 1

Meaka -Year 2

Sebastian - Year 3

Deanpaul - Year 4

Luke - Year 5

Lexi - Year 6

For Your Diary - Holidays and PD Days 2022/23

24–28 October

Half term

31 October

PD Day (school closed)

21 December–3 January

Christmas Holidays

20–24 February

Half term

3–14 April

Easter Holidays

29 May– 2 June

Half term

Summer holidays begin 21st July.

There are still 2 PD days to be announced.

Year 6

Big Practical
Science

Experiment this week. Working in small groups, creating questions, following methods and produced results.

Fantastic teamwork. The

children also visited the local library and thoroughly enjoyed the trip. Short and Long Multiplication has been the focus in maths. Our newspaper reports are finished, and we are now planning on making them digital with a green screen.

Science Investigation : sugar and yeast

The reaction that happens in the gut. Gas produced inflates the balloon which is the human stomach.

Year 1

This week we are writing information books for the library. Take a look!

In Maths, we are learning to count backwards. Today we used a number line to help us to launch our rockets!

Year 4

Year 4 have been creating their own stories this week, using their knowledge of our topic of Ancient Egypt. As well as this, Year 4 have been practising really hard for their TimesTables this week with class participation on TimesTables rockstars rising up to 81% Well done Year 4.

Year 5

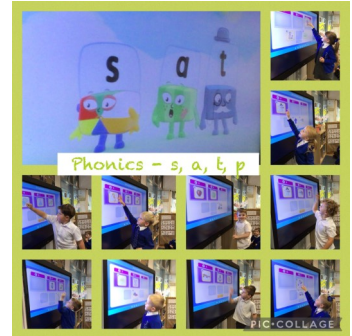

Year 5 have had another very busy week! Exploring, dreaming and discovering! We pretended to be

Victorian children and wrote formal letters to Queen Victoria complaining about a range of things like unhygienic dentists, children working in the mines and cold classrooms! We tasted pomegranates like the character in our class text. Some of us did not want to try them but we were very brave and gave it a go! We have been looking at column addition in Maths and we had a lovely walk to Thornaby library to explore their books and enjoy a story with Ivan!

Reception

Reception have now been taught four sounds. We can now start sorting pictures by sounds and using the letters and sounds we know to read and make words like, sat, sap and taps!

Year 3

On Wednesday, Year 3 visited Bowes Museum. The children were in awe at the grandness of the building and had a great day learning more about the Stone

Age. Children explored artefacts and created an authentic clay pot. Miss Robinson was so impressed with the behaviour and maturity shown by all children with their excellent condition questioning and knowledge.

Nursery

Today in Nursery we have explored different ways that we can make marks. We had fun making cards, planning our models and making lists in the home area.
