## **Reception**

This week Reception found some mysterious objects in the outdoor area. This has led to us sharing a story, writing potions and making maps!

## Year 5

We have had another incredibly busy week in Year 5, challenging our thinking every lesson and learning lots! We have discussed the importance of using 'Powerful Passwords' to keep our personal information safe. In Maths, we have revisited short multiplication and are building on this by learning how to complete long multiplication! We finished our Villainous Speeches in English by filming them in front of the Green Screen. Please make sure you look at your child's Seesaw and watch their performance as they are brilliant!

## Year 6

Fantastic trip to Heugh Battery Museum. The children learned fascinating facts about World War and the effect on Hartlepool. They were allowed to handle artefacts and explore tanks and guns.

The children have produced some gallery worthy art based on the artist Constable! Year 6 will be performing a Remembrance Assembly Friday 11th at 2:30pm. We hope you can make it.

## Winter Photograph Competition

We are looking for winter, ice, snow and Christmas themed pictures. (These might be old photographs)
