For Your Diary - Holidays and PD Days 2022/23

Last day of this term is Tuesday 20th December

21 December–3 January Christmas Holidays

20–24 February Half term

3–14 April Easter Holidays

29 May– 2 June Half term

Summer holidays begin 21st July.

There are still 2 PD days to be announced.

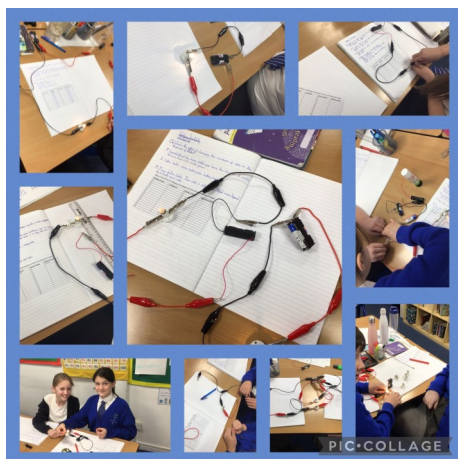

Christmas Holidays

Our last day at school is Tuesday 20th December. We return to school on Wednesday 4th January 2023.

Year 6

Year 6 enjoying investigating brightness of bulbs in electricity. Creating a range of circuits with different cells and bulbs to see the best combination for the brightest bulb has been our learning this week.

Reception

This week, after finding some clues, Reception have spent the week learning about 'Goldilocks and the Three Bears'. This has included making porridge, talking about size and drawing bears.

Nursery

Nursery enjoyed a fun-filled afternoon of PE yesterday afternoon. We played games using our balancing skills and also worked in partners to throw and catch a ball.

Year 2

This week, Year 2 have been using technology to create digital versions of their artwork.

Year 4

Yesterday, Year 4 visited the Oriental Museum in Durham. They thoroughly enjoyed their new role as Egyptian Archaeologists! They spent the day using their subject knowledge to decide what artefacts have been discovered. They also completed a museum trail and got to see a real mummy. The day concluded with a weighing of the heart ceremony. Oscar said "I want to be an archaeologist when I grow up".

Year 5 - Test week!

Year 5 have worked incredibly hard on their tests this week and it has been a great opportunity for them to celebrate their learning! Weekly tests on a Friday really helped prepare them for this week and everyone should be very proud of their progress!

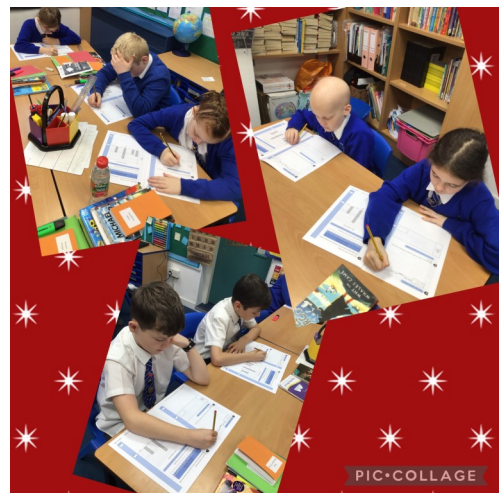

'There is a huge benefit to test week because if you get a high score you will feel very proud.' Fletcher

'I felt very nervous but once you start you'll feel better because you know the answers.'

Alexis

'If you get a question wrong, we work through the answer and it will help you for next time.'

Jenson

HOLIDAYS ARE FUN

The Holidays Are Fun (HAF) activity programme has launched for the Christmas holidays.

The programme offers free activities and a nutritious meal for all children and young people aged 5 to 16 years old who live in Stockton-on-Tees and are entitled to a benefits-related free school meal, in receipt of Universal Credit or experiencing financial difficulties.

What is on offer?
Arts and crafts, baking, bushcraft, cheerleading, cooking, creative arts, dance, filmmaking, gymnastics, horse riding, martial arts, music, sports and swimming.

HAF Christmas 22 Briefing

This Christmas the Holidays Are Fun (HAF) programme is back! Activities are running from Monday 19th December until Friday 30th December. We have over 2000 spaces across 23 different provisions up for grabs for Children in the borough aged 5 to 16.

The Holidays Are Fun (HAF) programme is being delivered in partnership with Catalyst and the Department for Education and is available for families who are in receipt of benefits-related free school meals, in receipt of Universal Credit or experiencing financial difficulties.

We have a wide range of activities on offer this Christmas which include sports, martial arts, cooking, arts & crafts, horse riding, bushcraft, film making, podcasting, swimming and more. Each session will include a free nutritious meal, which will be a hot meal where appropriate.

This summer we had over 3242 individual children attend multiple activities and received some great feedback from the children and parents:

"I love coming here because it's like a family and I even have a NEW best friend here!"
age 8

"I love it that there's other teenagers here and we can do classes that are for our age group. I have learned lots and I'm definitely fitter and stronger now, I think it's been really good because normally I would be bored or sitting at home and this summer I have kept really fit and made new mates at camp."
age 14

"I love it that we get to help make the food because I learned how to make lots of new healthy meals and snacks! The training and all of the activities are really fun!"
age 12

"I haven't seen my daughter this happy in a long time. It's been so good for her mental health."
parent

"C is normally really shy and would prefer to sit at home all holiday long. It's really helped him come out of his shell and build confidence while learning some fun new skills. Such a great programme, the children always come away well fed and smiling!"
parent

Our aim is to reach more families this Christmas and get more children involved in the wide range of activities. If you know of any children/families that would benefit from the programme please get in touch with our HAF team. In summer we had 35 children referred through social care/early help.

Bookings open on 21st November through the [SBC HAF Website](http://SBC.HAF.Website).

If you have any queries, you can email haf@stockton.gov.uk or call 01642 527752
