Year 5 - Safer Internet Day

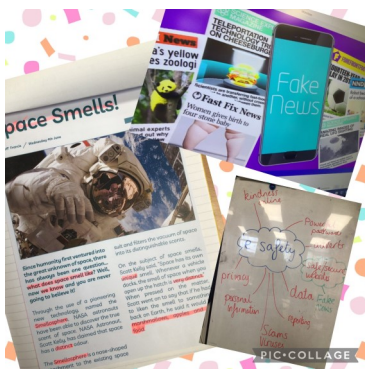

As part of our Computing curriculum we look at ways we can keep ourselves and our personal information safe online. This week we have looked at fake news, how to spot it and the negative impact it can have on everyone.

'If the story is unbelievable it could be fake news!' Beaux

'People might share fake news to make money.' Sophie

'Fake News might have spelling mistakes or use the wrong name.' Mason

'Don't believe everything on the internet!' Danielle

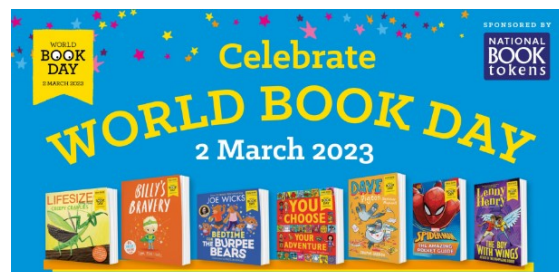

Reception

As part of @SaferInternetDay! Reception talked about how they use technology and how they keep safe. Some of our top tips were:

'Turn it off and tell my dad.' Carson

'Mum and dad helps me.' Elizabeth

'Don't talk to one's you don't know.' Alfie

VILLAGE VOICE

Nursery

We have been mastering subitising numbers 1,2 and 3.

This week, Nursery have been talking about water pollution. The children are confident when talking about how to help keep our oceans clean and keep the animals safe.

We have started to create our own jelly fish ready to decorate tomorrow. We have also had lots of fun exploring the areas.

Year 4

This week we have been using communication and listening skills to work together to calculate tricky reasoning questions.

Our Y5 and Y6 boys played in Northfield Stockton Finals tournament on Wednesday. They showed excellent sportsmanship and placed 4th overall. Amazing teamwork and resilience throughout.
