Skye - Year 6

For Your Diary - Holidays and PD Days 2022/23

3-14 April

Easter Holidays

29 May- 2 June

Half term

Summer holidays begin 21st July.

There is still 1 PD day to be announced.

Year 6

Well done to this Year 6 pupil coming first place in judo and archery tournaments. Fantastic to see our children so successful in the community.

Shelter

Year 4

As part of our Rainforest topic, we are learning about deforestation. To help fight against deforestation, Year 4 have gone paperless by working in small groups to create presentations to upload onto Seesaw!

This week, Year 4 have continued their learning on the Amazon Rainforest. The children have used amazing teamwork skills to work collaboratively to create presentations about the impact of deforestation on habitat, humans and climate change. Furthermore, we have also had a rainforest survival day. The children behaved excellently when learning a range of skills to survive in the rainforest. The children created their own shelters and fires as well as filtering water and eating bugs.

VILLAGE VOICE

Year 3

Year 3 had a fantastic day at Segedunum Roman Fort. It was a great opportunity to explore and discover more about a Roman soldier's life. All children were brilliantly behaved and have learnt so much!

"I had lots of fun and loved going up the big tower to see a birds eye view of the Roman Fort." River

Year 5 - World Book Day

Year 5 took part in World Book Day on Friday because we were on a trip on Thursday. We enjoyed a zoom with David Walliams and then used our impressive vocabulary to describe Mr and Mrs Twit from Ronald Dahl's brilliant book, The Twits.

We spoke a lot about the importance of reading for pleasure and we believe it will —

'Help you when you're older and help you get a better job' Ava

'Help you to use your imagination' Amy

'Help you learn higher vocabulary to use in your writing' Halle

'Do your more good than you might think! Mental health, wellbeing, imagination and vocabulary!' Mason

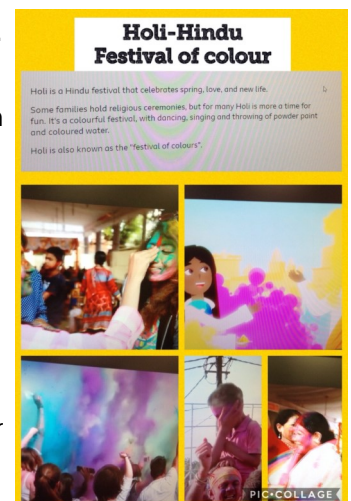

'Be calming' Daisy

Assembly

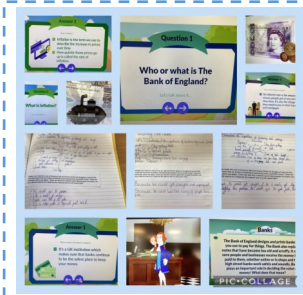

The theme for this weeks assembly was the Hindu Festival of Holi (also known as the festival of colour). The children were fascinated by how Hindus celebrate this festival. 'Wow the paint throwing looks like fun and messy!' Jack Y2

'I found out that blue stands for the Gods, green is for nature, yellow is for knowledge and learning and red is for love.' Holly Y1.

Year 6

During PSHE, Year 6 have been learning about the Bank of England, interest rates, inflation and the importance of budgeting and saving our money.

Reception

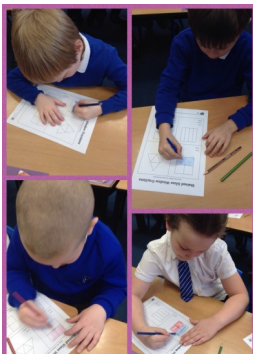

Reception had an exciting delivery of seeds and instructions this week. We followed the instructions to plant the seeds and have investigated what seeds need to grow.

Nursery

Nursery enjoyed learning two new skills today, cutting and spreading. They used these skills to make bear toast for their snack.

Nursery enjoyed creating their own bears after reading the story 'We're going on a bear hunt'.

Year 2

This week in Year 2 we have been working on fractions.

We have demonstrated our Village Values of resilience of not giving up and cooperation when working together as a group.

Year 4

Investigating the density and viscosity of different liquids by making lava lamps.
