Reception

This week Reception have been working hard on making hats fit for a king. We are looking forward to the King's Coronation Picnic and wearing our hats.

Year 2

In Year 2, we had a few celebrations.

Two girls completing their reading record receiving a book of their choice.

We also had another girl completing their ED card.

Year 1

We were inspired by the artist James Brunt. We used ideas from his website to create our first sculptures. Why not have a go at home or at the park?!

We have been counting in 5s. We found the multiples of five on our 100 squares. Tomorrow we are going to write the multiplication tables into our books. I wonder how far everybody can get to?!

Year 4

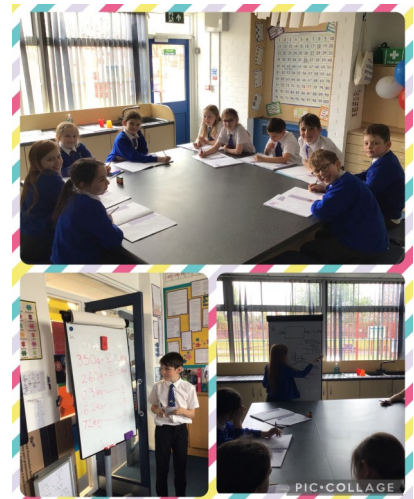

Year 4 enjoyed taking part in a Quad Kids Athletics competition yesterday. They showed great resilience skills, excellent teamwork and even took part in a 400m race!

Excellent Village Values demonstrated.

Year 5

Year 5 have really challenged their thinking this week as we have developed our knowledge of measurements by learning how to convert between different units of measurement. We created a toolkit to help us and supported each other

‘We have learnt a lot and progressed a long way!’ Fletcher

‘We have converted units of measurement of length, weight and capacity.’ Halle

‘We had to use different methods for some of the conversions.’ Sophie

‘We worked as a team to solve different challenges.’ Alexis

‘We spoke about where this would help us in our lives.’ Ava

Nursery

Nursery are preparing for the King's coronation this weekend.

We have used lots of different materials to colour in our flags. The children have enjoyed talking about different landmarks in London and looking at lots of pictures.
