Year 5 & 6

Congratulations to our Year 5 and 6 athletes who competed in the Stockton Schools Sports athletics finals on Monday. All showed determination and excellent sportsmanship

qualities. Two of our Year 6 children have successfully scored a place in the Tees Valley Finals which is an amazing accomplishment. Well done boys we will all be cheering you on.

Nursery

We have been with Mr Conroy for PE on the field! We played lots of games using different PE equipment but also made sure to keep safe with sun cream and hats.

Year 2

Year 2 have been measuring outside using trundle wheels, meter sticks and rulers.

We measured around the pond, the monkey bars, the field and playground.

Year 4

This week, Year 4 have worked very hard toward the MTC, which the children completed on Thursday! Well done to every single child in Year 4 who have worked their socks off! Everyone should be proud of their hard work and resilience! Furthermore, Year 4 have continued their recorders with TVMS this week and prepared for their performance next week!

Year 5 - MIMA

On Tuesday, Year 5 visited MIMA in Middlesbrough and had the opportunity to look at different types of art. It was a brilliant opportunity to see that art can be expressed in so many ways. It was also a really hands-on trip as we were able to create different types of art.

It was spectacular! Quite often trips are about History so it was so interesting to see how much art is part of our daily life.' Fletcher

It was an extraordinary experience to look at different art styles.' Ava

I like how they had all the metronomes in the gallery.' Daisy

'My favourite part was on the terrace because we got to see the whole of Middlesbrough! Including the Middlesbrough football stadium.' Jenson.

Year 6

Year 6 have been busy discussing transition to Year 7. We watched a fantastic webinar that introduced different strategies to support with transition.

We have also been busy ' Brake Kids Walk'. The main focus was to understand safety around local roads/streets as well as to wear the correct safety equipment when scootering or riding a bike.
