Netball

On Wednesday, some of our Year 6 pupils competed in a friendly netball match against

Bader Primary School. They demonstrated excellent Village Values and came away with a 5 - 3 victory. Well done Year 6!

Reception

This week in Maths, Reception have been learning how to share. We looked at unfair sharing during snack and took sharing into all areas of our play. We read a book called 'Sharing a Shell' and spent time sharing out objects and making sure it was fair.

Nursery

This week we are celebrating music in Nursery. We have explored different songs, nursery rhymes and instruments. We made our own guitars using printing techniques and made instruments using recycled materials.

Year 5 - Assessment Week

'The arithmetic was quite easy because we have already covered all of the topics,' Halle

'The reasoning paper was a bit harder because the numbers were bigger.' Sophie

'I think the assessments are important because it helps us get better.' Alexis

'The tests are important because it helps the teacher see what level we are at.' Jessica

'Some were tricky but if we want to be ready for Year 6 then we have to do them.' Olivia
