Easter Holidays

27-31 May

Half term

Summer holidays begin 24th July.

There are still 3 PD days to be announced.

**\*\*If you would like to be a parent governor please contact school\*\***

## Friends of Village AGM

Friends of Village (FOV) are having their annual AGM in school on **Tuesday 26th September at 2:30pm**. FOV run many events in school over the course of the year to raise money and give the children experiences including the Christmas and Summer Fairs. If you would like to get more involved with FOV this year, please come along. Everyone is welcome!

## Year 2

Year 2 have had another fantastic week. Lots of 'Top Spellers' for our Friday spelling test- I wonder who will score top marks next week?

In Maths we have been

looking at place value and partitioning numbers into tens and ones; some children even partitioned using hundreds. We are so excited to use our new knowledge about adjectives, expanded nouns and character descriptions to design our own characters and write about them next week.

## Year 6 - Heugh Battery trip

On Tuesday, Year 6 visited the Heugh Battery Museum in Hartlepool to enhance their learning of WW2.

'It was the best trip I have ever experienced. I liked the sounds in the trenches, it was like a real war was happening.' Logan

'I liked holding the weapons.' Freddie

'I like looking at the armory and weapons. It was interesting to see what the soldiers had to carry around all day.' Sophie

'At times I felt like a real soldier. I liked the bends in the trenches to protect the soldiers from attacks.' Fletcher

'I really enjoyed trying on the uniform. It was really big on me and wasn't very protective.' Alexis

## Year 4

This week, Year 4 have continued with their topic of Ancient Egypt. We have looked at mummification and all the gruesome steps of mummification. As well as this, Year 4 have started recorders. We are very lucky to have Mrs Robson come in from TVMS to teach us how to play. The children represented the school fantastically by listening to Mrs Robson and asking great questions.

## Year 3

Do you know the difference between a joint and a bone? What about clavicle or cranium? Year 3 have been learning all about bones and joints in their science lessons. In groups they tried adding them on to life size pictures. They then looked at a model skeleton and labelled the bones and joints accurately.

## Nursery

These girls spent an extended period of time exploring the transient art objects this morning. They worked together to create a 'gem castle'.

We are progressing with our printing skills this week by using different objects. The children showed super control when rolling the cars and stamping the Lego.

**Toilet Training Workshop**

This 2 hour workshop gives you all the building blocks for successful toilet training

Free to Stockton-on-Tees residents
